"Fenceline All Class In Winter Carnival Cup Win"

GARRARD'S HORSE & HOUND

The Garrard's Horse & Hound Group 1 Winter Carnival Cup last night at Albion Park belonged to one dog and one dog only. Smart Victorian sprinter Fenceline made a one act affair of the rich final and took home all the spoils. Beginning brilliantly from his preferred box eight he crossed the classy field with ease to lead at the first turn and was never troubled out in the front from that point on.

Fenceline (\$4.00) overcame his previous bad luck in big race finals to sweep to a sensational victory. He scored by two lengths over New South Wales visitor Winsome History (\$6.00) with two and a half lengths to local sprint queen Berella Electra (\$10.00) in third.

The race was full of early trouble with local hope Token Jet crashing out in the early stages and causing hot favourite Superman trouble. Runner-up Winsome History loomed into second place in the back straight and it appeared he could run the leader down but Fenceline reeled off a brilliant 12.63 final section and held off the New South Wales dog. Winsome History was runner-up in the Queensland Derby only a month ago. The winner ran 29.92, with sections of 5.76 and 11.53 and really gave nothing else a chance, it was the first Group victory for owner Peter Bryant and his trainer Engin Gemci.

Gemci, 34, has been in greyhound racing just 12 years, while Bryant bought the winner's dam as his first venture into the industry four years ago.

By Light Of Fire Fenceline is from the first litter bred by Bryant, and he has litters by Brett Lee and Awesome Assassin out of Emerald Shoes.

Fenceline will now head home to Victoria and contest the Nationals series in August at the Meadows.

The brindle dog was given to Gemci to train by Bryant when the dog was 18 months old.

"He didn't show much early but within three months he had improved so much we knew we had a top class dog." said Gemci.

Among his wins are 12 at Sandown, 10 of those in Free For All class.

"He's got a great record at Sandown and while he has won at The Meadows, we've kept him away from that track because unless you lead there a dog can find trouble," said Gemci.

Fenceline had already been a finalist in the Melbourne Cup and was a reserve for last year's Paws Of Thunder in Sydney.

Clockers were rewarded when Fenceline won. The dog was hand timed to win his heat last week in 30.24 but most clockers got the dog at around 30.01secs. He landed some big bets on the strength of that. Gemci is a fulltime trainer at Pearcedale in Victoria where he has eight in work and another 12 youngsters ready to join the kennel.
